

## Oral Health Education Workshops

### *Help with practical aspects of the NEBDN Certificate*

OHE Southwest runs an optional oral health education workshop to help BDA students with the more practical aspects of their NEBDN Certificate in Oral Health Education.

Many students benefit from face-to-face contact, and the workshop, which is held in a relaxed, friendly manner, includes PowerPoint® presentations and group work. Students from the February workshop found it useful to meet one another, share ideas & make new friends.

By attending you will also qualify for **six CPD hours**.

**"It was nice to speak to other students."**

**"I enjoyed the day; it made me feel more confident."**

**"Being a small group I was able to have one to one help."**

#### **The workshop covers:**

- Log Sheet Case Studies
- Exhibitions/ Oral Health Displays
- Expanded Case Studies (attendees receive a workshop manual to take away)
- Preparation for oral exam

Our tutors (Alison Chapman RDH FAETC and Elizabeth Hill RDN Cert OHE) have over 10 years experience in teaching the NEBDN syllabus and helped develop the BDA online course. Alison is co-author of 'A Basic Guide to Oral Health Education', a dental hygienist and tutor at Bristol Dental Hospital. Elizabeth is a trained OHE, dental nurse and practice manager.
